Where your contribution goes

United Way invests in solutions for our kids, our families and our whole community. Below are details of where contributions are being invested for the 2011 revenue year.

Community Builders

Community Builder Members are individuals and families that increase their previous year's pledge by at least 10%. Giving at this level is the first step in establishing an exceptional commitment to the community.

United Way of Island County's Mission

Mobilize community resources to measurably improve people's lives.

Community Initiatives

Early Learning, 2-1-1 (Information & Referral)

United Way's Community Investment Fund

You don't have to decide between helping children, seniors or individual needs such as a warm meal or a place to stay. Your gift helps meet all these needs. United Way's Community Investment Fund improves your neighbors' lives by wrapping services around families and individuals and by funding programs that address these issues. Dedicated volunteers evaluate local grant requests from United Way Partner Agencies to make sure United Way funding makes the greatest impact possible.
